**Item 1.01 Entry Into a Material Definitive Agreement**

On September 15, 2006, Save the World Air, Inc. (the “Company” or “we”) entered into what is sometimes termed an equity line of credit arrangement with Dutchess Private Equities Fund, LP (“Dutchess”). Specifically, we entered into an investment agreement, pursuant to which Dutchess is committed to purchase up to \$10,000,000 of our common stock over the 36-month term of the investment agreement. We are not obligated to request any portion of the \$10,000,000.

As of the date of this report, we have not drawn down any portion of this commitment, leaving the entire \$10,000,000 available under the equity line of credit, and for which we have agreed, pursuant to a registration rights agreement, to register 7,000,000 shares, or approximately 17.8%, of our issued and outstanding common stock, with the Securities and Exchange Commission (the “SEC”), before any such issuances. The actual number of shares that we may issue pursuant to the equity line of credit is not determinable as it is based on the market price of our common stock from time to time and the number of shares we desire to put to Dutchess.

Under the line of credit we may, but are not obligated to, put shares of our stock to Dutchess from time to time over a 36-month period, at a purchase price calculated at 97% of the lowest best closing bid for our common stock for the five trading days following our put notice to the investor. Because the price of our common stock fluctuates and the number of shares of our common stock, if any, that we may issue, should we exercise our put rights under the equity line of credit, will vary, we do not know how many shares, if any, we will actually issue under the equity line of credit.

During the 36-month term of the investment agreement, we may request a drawdown on the equity line of credit by delivering a “put notice” to Dutchess stating the dollar amount of shares we intend to sell to Dutchess. The purchase price Dutchess is required to pay for the shares is equal to 97% of the “market price.” The “market price” is equal to the lowest closing best bid price during the pricing period. The pricing period is the five-trading-day period beginning on the day Dutchess receives a drawdown request from us, if the request is received by Dutchess before 9:00 a.m. Eastern time. Otherwise, the pricing period begins on the trading day following the date Dutchess receives a drawdown request from us. The amount we may request in a given drawdown is, at our sole election, either (i) 200% of the average daily U.S. market trading volume of our common stock for the 10 trading days prior to the request multiplied by the average of the three daily closing best bid prices immediately preceding our request, or (ii) \$250,000.

We are not entitled to request a drawdown unless each of the following conditions is satisfied:

- (i) a registration statement is and remains effective for the resale of securities in connection with the equity line of credit;
- (ii) at all times during the period between our request for a drawdown and its subsequent funding, our common stock is listed on its principal market and shall not have been suspended from trading thereon for a period of two consecutive trading days;
- (iii) we have complied with our obligations and are otherwise not in breach or default of any agreement related to the equity line of credit;
- (iv) no injunction shall have been issued and remain in force, or action commenced by a governmental authority which has not been stayed or abandoned, prohibiting the purchase or the issuance of securities in connection with the equity line of credit; and
- (v) the issuance of the securities in connection with the equity line of credit will not violate any shareholder approval requirements of the principal market.

## Table of Contents

If any of the events described in clauses (i) through (v) above occurs after we make a drawdown request, then Dutchess shall have no obligation to fund that drawdown.

The equity line of credit will be suspended if (i) the trading of our common stock is suspended by the SEC, the primary stock exchange or market on which our common stock is listed or quoted (currently, the OTC Bulletin Board) or the National Association of Securities Dealers, Inc. for a period of two consecutive trading days, or (ii) our common stock ceases to be registered under the Securities Exchange Act of 1934 or listed or traded on the principal market. The equity line of credit terminates when Dutchess has purchased an aggregate of \$10,000,000 of our common stock or September 15, 2009, whichever occurs first.

Under the terms of the investment agreement, Dutchess may not own more than 4.99% of our issued and outstanding stock at any one time.

Spencer Clarke LLC, the Company's investment bankers, will receive 8% of the gross proceeds of any drawdown under the equity line of credit, payable in cash.

The Company intends to use the net proceeds of any drawdowns under the equity line of credit to fund its business plan, and for working capital and general corporate purposes, including marketing, sales and product development activities, among other things.

the Investor shall purchase from the Company, up to that number of Shares having an aggregate Purchase Price of Ten Million dollars (\$10,000,000).

**(B) DELIVERY OF PUT NOTICES.**

(I) Subject to the terms and conditions of the Transaction Documents, and from time to time during the Open Period, the Company may, in its sole discretion, deliver a Put Notice to the Investor which states the dollar amount (designated in U.S. Dollars) (the "Put Amount"), which the Company intends to sell to the Investor on a Closing Date (the "Put"). The Put Notice shall be in the form attached hereto as Exhibit C and incorporated herein by reference. The amount that the Company shall be entitled to Put to the Investor (the "Put Amount") shall be equal to, at the Company's sole election, either: (A) Two Hundred percent (200%) of the average daily volume (U.S. market only) of the Common Stock for the Ten (10) Trading Days prior to the applicable Put Notice Date, multiplied by the average of the three (3) daily closing bid prices immediately preceding the Put Date, or (B) two hundred fifty thousand dollars (\$250,000). During the Open Period, the Company shall not be entitled to submit a Put Notice until after the previous Closing has been completed. The Purchase Price for the Common Stock identified in the Put Notice shall be equal to ninety-seven percent (97%) of the lowest closing Best Bid price of the Common Stock during the Pricing Period.

(C) COMPANY'S RIGHT TO WITHDRAWAL. The Company shall reserve the right, but not the obligation, to withdraw that portion of the Put that is below the Minimal Acceptable Price, by submitting to the Investor, in writing, a notice to cancel that portion of the Put. Any shares above the Minimal Acceptable price due to the Investor shall be carried out by the Company under the terms of this Agreement.

**(D) INTENTIONALLY OMITTED**

(E) CONDITIONS TO INVESTOR'S OBLIGATION TO PURCHASE SHARES. Notwithstanding anything to the contrary in this Agreement, the Company shall not be entitled to deliver a Put Notice and the Investor shall not be obligated to purchase any Shares at a Closing (as defined in Section 2(G)) unless each of the following conditions are satisfied:

(I) a Registration Statement shall have been declared effective and shall remain effective and available for the resale of all the Registrable Securities (as defined in the Registration Rights Agreement) at all times until the Closing with respect to the subject Put Notice;

(II) at all times during the period beginning on the related Put Notice Date and ending on and including the related Closing Date, the Common Stock shall have been listed on the Principal Market and shall not have been suspended from trading thereon for a period of two (2) consecutive Trading Days during the Open Period and the Company shall not have been notified of any pending or

threatened proceeding or other action to suspend the trading of the Common Stock;

(III) the Company has complied with its obligations and is otherwise not in breach of or in default under, a material provision of this Agreement, the Registration Rights Agreement or any other agreement executed in connection herewith which has not been cured prior to delivery of the Investor's Put Notice Date;

(IV) no injunction shall have been issued and remain in force, or action commenced by a governmental authority which has not been stayed or abandoned, prohibiting the purchase or the issuance of the Securities; and

(V) the issuance of the Securities will not violate any shareholder approval requirements of the Principal Market.

If any of the events described in clauses (I) through (V) above occurs during a Pricing Period, then the Investor shall have no obligation to purchase the Put Amount of Common Stock set forth in the applicable Put Notice.

(F) RESERVED

(G) MECHANICS OF PURCHASE OF SHARES BY INVESTOR. Subject to the satisfaction of the conditions set forth in Sections 2(E), 7 and 8, the closing of the purchase by the Investor of Shares (a "Closing") shall occur on the date which is no later than seven (7) Trading Days following the applicable Put Notice Date (each a "Closing Date"). Prior to each Closing Date, (I) the Company shall deliver to the Investor pursuant to this Agreement, certificates representing the Shares to be issued to the Investor on such date and registered in the name of the Investor; and (II) the Investor shall deliver to the Company the Purchase Price to be paid for such Shares, determined as set forth in Sections 2(B). In lieu of delivering physical certificates representing the Securities and provided that the Company's transfer agent then is participating in The Depository Trust Company ("DTC") Fast Automated Securities Transfer ("FAST") program, upon request of the Investor, the Company shall use commercially reasonable efforts to cause its transfer agent to electronically transmit the Securities by crediting the account of the Investor's prime broker (as specified by the Investor within a reasonably in advance of the Investor's notice) with DTC through its Deposit Withdrawal Agent Commission ("DWAC") system.

The Company understands that a delay in the issuance of Securities beyond the Closing Date could result in economic damage to the Investor. After the Effective Date, as compensation to the Investor for such loss, the Company agrees to make late payments to the Investor for late issuance of Securities (delivery of Securities after the applicable Closing Date) in accordance with the following schedule (where "No. of Days Late" is defined as the number of trading days beyond the Closing Date, with the Amounts being cumulative.):

LATE PAYMENT FOR EACH NO. OF DAYS LATE	\$10,000 WORTH OF COMMON STOCK
1	\$ 100
2	\$ 200
3	\$ 300
4	\$ 400
5	\$ 500
6	\$ 600
7	\$ 700
8	\$ 800
9	\$ 900
10	\$ 1,000
Over 10	\$1,000 + \$200 for each Business Day late beyond 10 days

The Company shall make any payments incurred under this Section in immediately available funds upon demand by the Investor. Nothing herein shall limit the Investor's right to pursue actual damages for the Company's failure to issue and deliver the Securities to the Investor, except that such late payments shall offset any such actual damages incurred by the Investor, and any Repurchase Adjustment Amount, as set forth below.

(H) **OVERALL LIMIT ON COMMON STOCK ISSUABLE.** Notwithstanding anything contained herein to the contrary, if during the Open Period the Company becomes listed on an exchange that limits the number of shares of Common Stock that may be issued without shareholder approval, then the number of Shares issuable by the Company and purchasable by the Investor, shall not exceed that number of the shares of Common Stock that may be issuable without shareholder approval (the "Maximum Common Stock Issuance"). If such issuance of shares of Common Stock could cause a delisting on the Principal Market, then the Maximum Common Stock Issuance shall first be approved by the Company's shareholders in accordance with applicable law and the By-laws and Amended and Restated Certificate of Incorporation of the Company, if such issuance of shares of Common Stock could cause a delisting on the Principal Market. The parties understand and agree that the Company's failure to seek or obtain such shareholder approval shall in no way adversely affect the validity and due authorization of the issuance and sale of Securities or the Investor's obligation in accordance with the terms and conditions hereof to purchase a number of Shares in the aggregate up to the Maximum Common Stock Issuance limitation, and that such approval pertains only to the applicability of the Maximum Common Stock Issuance limitation provided in this Section 2(H).

(I) **LIMITATION ON AMOUNT OF OWNERSHIP.** Notwithstanding anything to the contrary in this Agreement, in no event shall the Investor be entitled to purchase that number of Shares, which when added to the sum of the number of shares of Common Stock beneficially owned (as such term is defined under Section 13(d) and Rule 13d-3 of the 1934 Act), by the Investor, would exceed

4.99% of the number of shares of Common Stock outstanding on the Closing Date, as determined in accordance with Rule 13d-1(j) of the 1934 Act.

(J) If, by the third (3rd) business day after the Closing Date, the Company fails to deliver any portion of the shares of the Put to the Investor (the "Put Shares Due") and the Investor purchases, in an open market transaction or otherwise, shares of Common Stock necessary to make delivery of shares which would have been delivered if the full amount of the shares to be delivered to the Investor by the Company (the "Open Market Share Purchase"), then the Company shall pay to the Investor, in addition to any other amounts due to Investor pursuant to the Put, and not in lieu thereof, the Open Market Adjustment Amount (as defined below). The "Open Market Adjustment Amount" is the amount equal to the excess, if any, of (x) the Investor's total purchase price (including brokerage commissions, if any) for the Open Market Share Purchase minus (y) the net proceeds (after brokerage commissions, if any) received by the Investor from the sale of the Put Shares Due. The Company shall pay the Open Market Adjustment Amount to the Investor in immediately available funds within five (5) business days of written demand by the Investor. By way of illustration and not in limitation of the foregoing, if the Holder purchases shares of Common Stock having a total purchase price (including brokerage commissions) of \$11,000 to cover an Open Market Purchase with respect to shares of Common Stock it sold for net proceeds of \$10,000, the Open Market Purchase Adjustment Amount which the Company will be required to pay to the Holder will be \$1,000.

### SECTION 3. INVESTOR'S REPRESENTATIONS, WARRANTIES AND COVENANTS.

The Investor represents and warrants to the Company, and covenants, that:

(A) **SOPHISTICATED INVESTOR.** The Investor has, by reason of its business and financial experience, such knowledge, sophistication and experience in financial and business matters and in making investment decisions of this type that it is capable of (I) evaluating the merits and risks of an investment in the Securities and making an informed investment decision; (II) protecting its own interest; and (III) bearing the economic risk of such investment for an indefinite period of time.

The Company has reserved, or will have reserved on or before the date of the filing of the Registration Statement with the SEC, 7,000,000 Shares for issuance pursuant to this Agreement, which Shares will have been duly authorized and reserved for issuance (subject to adjustment pursuant to the Company's covenant set forth in Section 5(F) below) pursuant to this Agreement. Upon issuance in accordance with this Agreement, the Securities will be validly issued, fully paid and non-assessable and free from all taxes, liens and charges with respect to the issue thereof. In the event the Company cannot register a sufficient number of Shares for issuance pursuant to this Agreement, the Company will use its best efforts to authorize and reserve for issuance the number of Shares required for the Company to perform its obligations hereunder as soon as reasonably practicable.

(E) NO CONFLICTS. The execution, delivery and performance of the Equity Line Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby will not (I) result in a violation of the Certificate of Incorporation, any Certificate of Designations, Preferences and Rights of any outstanding series of preferred stock of the Company or the By-laws; or (II) conflict with, or constitute a material default (or an event which with notice or lapse of time or both would become a material default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, contract, indenture mortgage, indebtedness or instrument to which the Company or any of its Subsidiaries is a party, or to the Company's knowledge result in a violation of any law, rule, regulation, order, judgment or decree (including United States federal and state securities laws and regulations and the rules and regulations of the Principal Market or principal securities exchange or trading market on which the Common Stock is traded or listed) applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries is bound or affected. Except as disclosed in Schedule 4(e), neither the Company nor its Subsidiaries is in violation of any term of, or in default under, the Certificate of Incorporation, any Certificate of Designations, Preferences and Rights of any outstanding series of preferred stock of the Company or the By-laws or their organizational charter or by-laws, respectively, or any contract, agreement, mortgage, indebtedness, indenture, instrument, judgment, decree or order or any statute, rule or regulation applicable to the Company or its Subsidiaries, except for possible conflicts, defaults, terminations, amendments, accelerations, cancellations and violations that would not individually or in the aggregate have or constitute a Material Adverse Effect. The business of the

Company and its Subsidiaries is not being conducted, and shall not be conducted, in violation of any law, statute, ordinance, rule, order or regulation of any governmental authority or agency, regulatory or self-regulatory agency, or court, except for possible violations the sanctions for which either individually or in the aggregate would not have a Material Adverse Effect. Except as specifically contemplated by this Agreement and as required under the 1933 Act or any securities laws of any states, to the Company's knowledge, the Company is not required to obtain any consent, authorization, permit or order of, or make any filing or registration (except the filing of a registration statement as outlined in the Registration Rights Agreement between the Parties) with, any court, governmental authority or agency, regulatory or self-regulatory agency or other third party in order for it to execute, deliver or perform any of its obligations under, or contemplated by, the Transaction Documents in accordance with the terms hereof or thereof. All consents, authorizations, permits, orders, filings and registrations which the Company is required to obtain pursuant to the preceding sentence have been obtained or effected on or prior to the date hereof and are in full force and effect as of the date hereof. Except as disclosed in Schedule 4(e), the Company and its Subsidiaries are unaware of any facts or circumstances which might give rise to any of the foregoing. The Company is not, and will not be, in violation of the listing requirements of the Principal Market as in effect on the date hereof and on each of the Closing Dates and is not aware of any facts which would reasonably lead to delisting of the Common Stock by the Principal Market in the foreseeable future.

(F) SEC DOCUMENTS; FINANCIAL STATEMENTS. As of the date hereof, the Company has filed all reports, schedules, forms, statements and other documents required to be filed by it with the SEC pursuant to the reporting requirements of the 1934 Act (all of the foregoing filed prior to the date hereof and all exhibits included therein and financial statements and schedules thereto and documents incorporated by reference therein being hereinafter referred to as the "SEC Documents"). The Company has delivered to the Investor or its representatives, or they have had access through EDGAR to, true and complete copies of the SEC Documents. As of their respective filing dates, the SEC Documents complied in all material respects with the requirements of the 1934 Act and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the SEC, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. As of their respective dates, the financial statements of the Company included in the SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto. Such financial statements have been prepared in accordance with generally accepted accounting principles, by a firm that is a member of the Public Companies Accounting Oversight Board ("PCAOB") consistently applied, during the periods involved (except (I) as may be otherwise indicated in such financial statements or the notes thereto, or (II) in

the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the financial position of the Company as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). No other written information provided by or on behalf of the Company to the Investor which is not included in the SEC Documents, including, without limitation, information referred to in Section 4(D) of this Agreement, contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstance under which they are or were made, not misleading. Neither the Company nor any of its Subsidiaries or any of their officers, directors, employees or agents have provided the Investor with any material, nonpublic information which was not publicly disclosed prior to the date hereof and any material, nonpublic information provided to the Investor by the Company or its Subsidiaries or any of their officers, directors, employees or agents prior to any Closing Date shall be publicly disclosed by the Company prior to such Closing Date.

(G) ABSENCE OF CERTAIN CHANGES. Except as otherwise set forth in the SEC Documents, the Company does not intend to change the business operations of the Company in any material way. The Company has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to any bankruptcy law nor does the Company or its Subsidiaries have any knowledge or reason to believe that its creditors intend to initiate involuntary bankruptcy proceedings.

(H) ABSENCE OF LITIGATION AND/OR REGULATORY PROCEEDINGS. Except as set forth in the SEC Documents, there is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the executive officers of Company or any of its Subsidiaries, threatened against or affecting the Company, the Common Stock or any of the Company's Subsidiaries or any of the Company's or the Company's Subsidiaries' officers or directors in their capacities as such, in which an adverse decision could have a Material Adverse Effect.

(I) ACKNOWLEDGMENT REGARDING INVESTOR'S PURCHASE OF SHARES. The Company acknowledges and agrees that the Investor is acting solely in the capacity of an arm's length purchaser with respect to the Transaction Documents and the transactions contemplated hereby and thereby. The Company further acknowledges that the Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Equity Line Transaction Documents and the transactions contemplated hereby and thereby and any advice given by the Investor or any of its respective representatives or agents in connection with the Equity Line Transaction Documents and the transactions contemplated hereby and thereby is merely incidental to the Investor's purchase of the Securities, and is not being relied on

by the Company. The Company further represents to the Investor that the Company's decision to enter into the Equity Line Transaction Documents has been based solely on the independent evaluation by the Company and its representatives.

(J) NO UNDISCLOSED EVENTS, LIABILITIES, DEVELOPMENTS OR CIRCUMSTANCES. Except as set forth in the SEC Documents, as of the date hereof, no event, liability, development or circumstance has occurred or exists, or to the Company's knowledge is contemplated to occur, with respect to the Company or its Subsidiaries or their respective business, properties, assets, prospects, operations or financial condition, that would be required to be disclosed by the Company under applicable securities laws on a registration statement filed with the SEC relating to an issuance and sale by the Company of its Common Stock and which has not been publicly announced.

(K) EMPLOYEE RELATIONS. Neither the Company nor any of its Subsidiaries is involved in any union labor dispute nor, to the knowledge of the Company or any of its Subsidiaries, is any such dispute threatened. Neither the Company nor any of its Subsidiaries is a party to a collective bargaining agreement, and the Company and its Subsidiaries believe that relations with their employees are good. No executive officer (as defined in Rule 501(f) of the 1933 Act) has notified the Company that such officer intends to leave the Company's employ or otherwise terminate such officer's employment with the Company.

(L) INTELLECTUAL PROPERTY RIGHTS. The Company and its Subsidiaries own or possess adequate rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and rights necessary to conduct their respective businesses as now conducted. Except as set forth in the SEC Documents, none of the Company's trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, government authorizations, trade secrets or other intellectual property rights necessary to conduct its business as now or as proposed to be conducted have expired or terminated, or are expected to expire or terminate within two (2) years from the date of this Agreement. The Company and its Subsidiaries do not have any knowledge of any infringement by the Company or its Subsidiaries of trademark, trade name rights, patents, patent rights, copyrights, inventions, licenses, service names, service marks, service mark registrations, trade secret or other similar rights of others, or of any such development of similar or identical trade secrets or technical information by others and, except as set forth in the SEC Documents, there is no claim, action or proceeding being made or brought against, or to the Company's knowledge, being threatened against, the Company or its Subsidiaries regarding trademark, trade name, patents, patent rights, invention, copyright, license, service names, service marks, service mark registrations, trade secret or other infringement; and the Company and its Subsidiaries are unaware of any facts or circumstances which might give rise to

any of the foregoing. The Company and its Subsidiaries have taken commercially reasonable security measures to protect the secrecy, confidentiality and value of all of their intellectual properties.

(M) ENVIRONMENTAL LAWS. The Company (I) is, to the knowledge of the management and directors of the Company, in compliance with any and all applicable foreign, federal, state and local laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants (“Environmental Laws”); (II) has, to the knowledge of the management and directors of the Company, received all permits, licenses or other approvals required of it under applicable Environmental Laws to conduct its business; and (III) is in compliance, to the knowledge of the management and directors of the Company, with all terms and conditions of any such permit, license or approval where, in each of the three (3) foregoing cases, the failure to so comply would have, individually or in the aggregate, a Material Adverse Effect.

(N) TITLE. The Company and its Subsidiaries have good and marketable title to all personal property owned by them which is material to the business of the Company and its Subsidiaries, in each case free and clear of all liens, encumbrances and defects except such as are described in the SEC Documents or such as do not materially affect the value of such property and do not interfere with the use made and proposed to be made of such property by the Company or any of its Subsidiaries. Any real property and facilities held under lease by the Company or any of its Subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its Subsidiaries.

(O) INSURANCE. Each of the Company’s Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company reasonably believes to be prudent and customary in the businesses in which the Company and its Subsidiaries are engaged. Neither the Company nor any of its Subsidiaries has been refused any insurance coverage sought or applied for and neither the Company nor its Subsidiaries has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

(P) REGULATORY PERMITS. The Company and its Subsidiaries have in full force and effect all certificates, approvals, authorizations and permits from the appropriate federal, state, local or foreign regulatory authorities and comparable foreign regulatory agencies, necessary to own, lease or operate their respective properties and assets and conduct their respective businesses, and neither the Company nor any such Subsidiary has received any notice of proceedings relating to the revocation or modification of any such certificate, approval,

authorization or permit, except for such certificates, approvals, authorizations or permits which if not obtained, or such revocations or modifications which, would not have a Material Adverse Effect.

(Q) INTERNAL ACCOUNTING CONTROLS. The Company and each of its Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that (I) transactions are executed in accordance with management's general or specific authorizations; (II) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles by a firm with membership to the PCAOB and to maintain asset accountability; (III) access to assets is permitted only in accordance with management's general or specific authorization; and (IV) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(R) NO MATERIALLY ADVERSE CONTRACTS, ETC. Neither the Company nor any of its Subsidiaries is subject to any charter, corporate or other legal restriction, or any judgment, decree, order, rule or regulation which in the judgment of the Company's officers has or is expected in the future to have a Material Adverse Effect. Neither the Company nor any of its Subsidiaries is a party to any contract or agreement which in the judgment of the Company's officers has or is expected to have a Material Adverse Effect.

(S) TAX STATUS. The Company and each of its Subsidiaries has made or filed all United States federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that the Company and each of its Subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes) and has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company know of no basis for any such claim.

(T) CERTAIN TRANSACTIONS. Except as set forth in the SEC Documents filed at least ten (10) days prior to the date hereof and except for arm's length transactions pursuant to which the Company makes payments in the ordinary course of business upon terms no less favorable than the Company could obtain from disinterested third parties and other than the grant of stock options disclosed in the SEC Documents, none of the officers, directors, or employees of the Company is presently a party to any transaction with the Company or any of its Subsidiaries (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the

furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any corporation, partnership, trust or other entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

(U) DILUTIVE EFFECT. The Company understands and acknowledges that the number of shares of Common Stock issuable upon purchases pursuant to this Agreement will increase in certain circumstances including, but not necessarily limited to, the circumstance wherein the trading price of the Common Stock declines during the period between the Effective Date and the end of the Open Period. The Company's executive officers and directors have studied and fully understand the nature of the transactions contemplated by this Agreement and recognize that they have a potential dilutive effect on the shareholders of the Company. The Board of Directors of the Company has concluded, in its good faith business judgment, and with full understanding of the implications, that such issuance is in the best interests of the Company. The Company specifically acknowledges that, subject to such limitations as are expressly set forth in the Equity Line Transaction Documents, its obligation to issue shares of Common Stock upon purchases pursuant to this Agreement is absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other shareholders of the Company.

(V) LOCK-UP. The Company shall cause its officers, insiders, directors, and affiliates or other related parties under control of the Company, to refrain from selling Common Stock during each Pricing Period.

(W) NO GENERAL SOLICITATION. Neither the Company, nor any of its affiliates, nor any person acting on its behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Common Stock to be offered as set forth in this Agreement.

(X) NO BROKERS, FINDERS OR FINANCIAL ADVISORY FEES OR COMMISSIONS. No brokers, finders or financial advisory fees or commissions will be payable by the Company, its agents or Subsidiaries, with respect to the transactions contemplated by this Agreement, except as otherwise provided for in Section 12(M) of this Agreement.

#### SECTION 5. COVENANTS OF THE COMPANY

(A) BEST EFFORTS. The Company shall use commercially reasonable efforts to timely satisfy each of the conditions set forth in Section 7 of this Agreement.

(B) BLUE SKY. The Company shall, at its sole cost and expense, on or before each of the Closing Dates, take such action as the Company shall reasonably determine is necessary to qualify the Securities for, or obtain exemption for the

Securities for, sale to the Investor at each of the Closings pursuant to this Agreement under applicable securities or “Blue Sky” laws of such states of the United States, as reasonably specified by the Investor, and shall provide evidence of any such action so taken to the Investor on or prior to the Closing Date.

(C) REPORTING STATUS. Until the first of the following occurs, the Company shall file all reports required to be filed with the SEC pursuant to the 1934 Act, and the Company shall not terminate its status, or take an action or fail to take any action, which would terminate its status as a reporting company under the 1934 Act: (i) this Agreement terminates pursuant to Section 9 and the Investor has the right to sell all of the Securities without restrictions pursuant to Rule 144(k) promulgated under the 1933 Act, or such other exemption; or (ii) the date on which the Investor has sold all the Securities and this Agreement has been terminated pursuant to Section 9.

(D) USE OF PROCEEDS. The Company will use the proceeds from the sale of the Shares (excluding amounts paid by the Company for fees as set forth in the Transaction Documents) for general corporate and working capital purposes and acquisitions or assets, businesses or operations or for other purposes that the Board of Directors, in its good faith deem to be in the best interest of the Company.

(E) FINANCIAL INFORMATION. During the Registration Period, the Company agrees to make available to the Investor via EDGAR or other electronic means the following documents and information on the forms set forth: (I) within five (5) Trading Days after the filing thereof with the SEC, a copy of its Annual Reports on Form 10-KSB, its Quarterly Reports on Form 10-QSB, any Current Reports on Form 8-K and any Registration Statements or amendments filed pursuant to the 1933 Act; (II) copies of any notices and other information made available or given to the shareholders of the Company generally, contemporaneously with the making available or giving thereof to the shareholders; and (III) within two (2) calendar days of filing or delivery thereof, copies of all documents filed with, and all correspondence sent to, the Principal Market, any securities exchange or market, or the National Association of Securities Dealers, Inc., unless such information is material nonpublic information.

(F) RESERVATION OF SHARES. Subject to the following sentence, the Company shall take all action necessary to at all times have authorized, and reserved for the purpose of issuance, a sufficient number of shares of Common Stock to provide for the issuance of the Securities to the Investor as required hereunder. In the event that the Company determines that it does not have a sufficient number of authorized shares of Common Stock to reserve and keep available for issuance as described in this Section 5(F), the Company shall use commercially reasonable efforts to increase the number of authorized shares of Common Stock by seeking shareholder approval for the authorization of such additional shares.

(G) LISTING. The Company shall promptly secure and maintain the listing of all of the Registrable Securities (as defined in the Registration Rights Agreement) on the Principal Market and each other national securities exchange and automated quotation system, if any, upon which shares of Common Stock are then listed or quoted (subject to official notice of issuance) and shall maintain, such listing of all Registrable Securities from time to time issuable under the terms of the Equity Line Transaction Documents. Neither the Company nor any of its Subsidiaries shall take any action which would be reasonably expected to result in the delisting or suspension of the Common Stock on the Principal Market (excluding suspensions of not more than one (1) trading day resulting from business announcements by the Company). The Company shall promptly provide to the Investor copies of any notices it receives from the Principal Market regarding the continued eligibility of the Common Stock for listing on such automated quotation system or securities exchange. The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 5(G).

(H) TRANSACTIONS WITH AFFILIATES. The Company shall not, and shall cause each of its Subsidiaries not to, enter into, amend, modify or supplement, or permit any Subsidiary to enter into, amend, modify or supplement, any agreement, transaction, commitment or arrangement with any of its or any Subsidiary's officers, directors, persons who were officers or directors at any time during the previous two (2) years, shareholders who beneficially own 5% or more of the Common Stock, or Affiliates or with any individual related by blood, marriage or adoption to any such individual or with any entity in which any such entity or individual owns a 5% or more beneficial interest (each a "Related Party"), except for (I) customary employment arrangements and benefit programs on reasonable terms, (II) any agreement, transaction, commitment or arrangement on an arms-length basis on terms no less favorable than terms which would have been obtainable from a disinterested third party other than such Related Party, or (III) any agreement, transaction, commitment or arrangement which is approved by a majority of the disinterested directors of the Company. For purposes hereof, any director who is also an officer of the Company or any Subsidiary of the Company shall not be a disinterested director with respect to any such agreement, transaction, commitment or arrangement. "Affiliate" for purposes hereof means, with respect to any person or entity, another person or entity that, directly or indirectly, (I) has a 5% or more equity interest in that person or entity, (II) has 5% or more common ownership with that person or entity, (III) controls that person or entity, or (IV) is under common control with that person or entity. "Control" or "Controls" for purposes hereof means that a person or entity has the power, directly or indirectly, to conduct or govern the policies of another person or entity.

(I) FILING OF FORM 8-K. On or before the date which is four (4) Trading Days after the Execution Date, the Company shall file a Current Report on Form 8-K with the SEC describing the terms of the transaction contemplated by the Equity

(J) CORPORATE EXISTENCE. The Company shall use commercially reasonable efforts to preserve and continue the corporate existence of the Company.

(K) NOTICE OF CERTAIN EVENTS AFFECTING REGISTRATION; SUSPENSION OF RIGHT TO MAKE A PUT. The Company shall promptly notify the Investor upon the occurrence of any of the following events in respect of a Registration Statement or related prospectus in respect of an offering of the Securities: (I) receipt of any request for additional information by the SEC or any other federal or state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to the Registration Statement or related prospectus; (II) the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for that purpose; (III) receipt of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Securities for sale in any jurisdiction or the initiation or notice of any proceeding for such purpose; (IV) the happening of any event that makes any statement made in such Registration Statement or related prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, related prospectus or documents so that, in the case of a Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the related prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (V) the Company's reasonable determination that a post-effective amendment to the Registration Statement would be appropriate, and the Company shall promptly make available to Investor any such supplement or amendment to the related prospectus. The Company shall not deliver to Investor any Put Notice during the continuation of any of the foregoing events in this Section 5(K).

(L) REIMBURSEMENT. If (I) the Investor becomes involved in any capacity in any action, proceeding or investigation brought by any shareholder of the Company, in connection with or as a result of the consummation of the transactions contemplated by the Equity Line Transaction Documents, or if the Investor is impleaded in any such action, proceeding or investigation by any person (other than as a result of a breach of the Investor's representations and warranties set forth in this Agreement); or (II) the Investor becomes involved in any capacity in any action, proceeding or investigation brought by the SEC against or involving the Company or in connection with or as a result of the consummation of the transactions contemplated by the Equity Line Transaction

Documents (other than as a result of a breach of the Investor's representations and warranties set forth in this Agreement), or if this Investor is impleaded in any such action, proceeding or investigation by any person, then in any such case, the Company will reimburse the Investor for its reasonable legal and other expenses (including the cost of any investigation and preparation) incurred in connection therewith, as such expenses are incurred. In addition, other than with respect to any matter in which the Investor is a named party, the Company will pay to the Investor the charges, as reasonably determined by the Investor, for the time of any officers or employees of the Investor devoted to appearing and preparing to appear as witnesses, assisting in preparation for hearings, trials or pretrial matters, or otherwise with respect to inquiries, hearing, trials, and other proceedings relating to the subject matter of this Agreement. The reimbursement obligations of the Company under this section shall be in addition to any liability which the Company may otherwise have, shall extend upon the same terms and conditions to any affiliates of the Investor that are actually named in such action, proceeding or investigation, and partners, directors, agents, employees, attorneys, accountants, auditors and controlling persons (if any), as the case may be, of Investor and any such affiliate, and shall be binding upon and inure to the benefit of any successors of the Company, the Investor and any such affiliate and any such person.

This Agreement shall be suspended upon any of the following events, and shall remain suspended until such event is rectified:

(I) the trading of the Common Stock is suspended by the SEC, the Principal Market or the NASD for a period of two (2) consecutive Trading Days during the Open Period; or,

(II) The Common Stock ceases to be registered under the 1934 Act or listed, quoted or traded on the Principal Market. Immediately upon the occurrence of one of the above-described events, the Company shall send written notice of such event to the Investor.

#### SECTION 11. INDEMNIFICATION.

In consideration of the parties mutual obligations set forth in the Transaction Documents, each of the parties (in such capacity, an "Indemnitor") shall defend, protect, indemnify and hold harmless the other and all of the other party's shareholders, officers, directors, employees, counsel, and direct or indirect investors and any of the foregoing person's agents or other representatives (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) (collectively, the "Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and reasonable expenses in connection therewith (irrespective of whether any such Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by any Indemnitee as a result of, or arising out of, or relating to (I) any misrepresentation or breach of any representation or warranty made by the Indemnitor or any other certificate, instrument or document contemplated hereby or thereby; (II) any breach of any covenant, agreement or obligation of the Indemnitor contained in the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby; or (III) any cause of action, suit or claim brought or made against such Indemnitee by a third party and arising out of or resulting from the execution, delivery, performance or enforcement of the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, except insofar as any such misrepresentation, breach or any untrue statement, alleged untrue statement, omission or alleged omission is made in reliance upon and in conformity with information furnished to Indemnitor which is specifically intended for use in the preparation of any such Registration

Statement, preliminary prospectus, prospectus or amendments to the prospectus. To the extent that the foregoing undertaking by the Indemnitor may be unenforceable for any reason, the Indemnitor shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. The indemnity provisions contained herein shall be in addition to any cause of action or similar rights Indemnitor may have, and any liabilities to which the Indemnitor or the Indemnitees may be subject.

(A) **ARBITRATION.** All disputes arising under this agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, without regard to principles of conflict of laws. The parties to this agreement will submit all disputes arising under this agreement to arbitration in Boston, Massachusetts before a single arbitrator of the American Arbitration Association (“AAA”). The arbitrator shall be selected by application of the rules of the AAA, or by mutual agreement of the parties, except that such arbitrator shall be an attorney admitted to practice law in the Commonwealth of Massachusetts. Any attorneys’ fees and expenses incurred by either the Company or the Investor in connection with the preparation, negotiation, execution and delivery of any amendments to this Agreement or relating to the enforcement of the rights of any party, after the occurrence of any breach of the terms of this Agreement by another party or any default by another party in respect of the transactions contemplated hereunder, shall be paid on demand by the party which is determined, pursuant to Section 12(A), to have breached the Agreement and/or defaulted, as the case may be. The Company shall pay all stamp and other taxes and duties levied in connection with the issuance of any Securities.

(C) **COUNTERPARTS.** This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

(D) HEADINGS; SINGULAR/PLURAL. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement. Whenever required by the context of this Agreement, the singular shall include the plural and masculine shall include the feminine.

If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

(F) ENTIRE AGREEMENT; AMENDMENTS. This Agreement is the FINAL AGREEMENT between the Company and the Investor with respect to the terms and conditions set forth herein, and, the terms of this Agreement may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the Parties. No provision of this Agreement may be amended other than by an instrument in writing signed by the Company and the Investor, and no provision hereof may be waived other than by an instrument in writing signed by the party against whom enforcement is sought. The execution and delivery of the Equity Line Transaction Documents shall not alter the force and effect of any other agreements between the Parties, and the obligations under those agreements.

(G) NOTICES. (H) NO ASSIGNMENT. This Agreement may not be assigned.

(I) NO THIRD PARTY BENEFICIARIES. The representations and warranties of the Company and the Investor contained in Sections 2 and 3, the agreements and covenants set forth in Sections 4 and 5, the indemnification provisions set forth in Section 11 and the nondisclosure provisions set forth in Section 13, shall survive each of the Closings and the termination of this Agreement.

(K) PUBLICITY. The Company and the Investor shall consult with each other in issuing any press releases or otherwise making public statements with respect to the transactions contemplated hereby and no party shall issue any such press release or otherwise make any such public statement without the prior consent of the other party, which consent shall not be unreasonably withheld or delayed, except that no prior consent shall be required if such disclosure is required by law, in which such case the disclosing party shall provide the other party with prior notice of such public statement. Notwithstanding the foregoing, the Company shall not publicly disclose the name of the Investor without the prior consent of the Investor, except to the extent required by law. The Investor acknowledges that this Agreement and all or part of the Transaction Documents may be deemed to be "material contracts" as that term is defined by Item

601(b)(10) of Regulation S-B, and that the Company may therefore be required to file such documents as exhibits to reports or registration statements filed under the 1933 Act or the 1934 Act. The Investor further agrees that the status of such documents and materials as material contracts shall be determined solely by the Company, in consultation with its counsel.

(L) FURTHER ASSURANCES. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(M) PLACEMENT AGENT. The Company agrees to pay Spencer Clarke LLC, a registered broker dealer eight percent (8%) of the Put Amount on each draw toward the fee. The Investor shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other persons or entities for fees of a type contemplated in this Section that may be due in connection with the transactions contemplated by the Transaction Documents. The Company shall indemnify and hold harmless the Investor, their employees, officers, directors, agents, and partners, and their respective affiliates, from and against all claims, losses, damages, costs (including the costs of preparation and attorney's fees) and expenses incurred in respect of any such claimed or existing fees, as such fees and expenses are incurred.

(N) NO STRICT CONSTRUCTION. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party, as the parties mutually agree that each has had a full and fair opportunity to review this Agreement and seek the advice of counsel on it.

(O) REMEDIES. The Investor shall have all rights and remedies set forth in this Agreement and the Registration Rights Agreement and all rights and remedies which such holders have been granted at any time under any other agreement or contract and all of the rights which the Investor has by law. Any person having any rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any default or breach of any provision of this Agreement, including the recovery of reasonable attorneys fees and costs, and to exercise all other rights granted by law.

(P) PAYMENT SET ASIDE. To the extent that the Company makes a payment or payments to the Investor hereunder or under the Registration Rights Agreement or the Investor enforces or exercises its rights hereunder or thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be

refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

(Q) PRICING OF COMMON STOCK. For purposes of this Agreement, the bid price of the Common Stock shall be as reported on Bloomberg.

#### SECTION 13. NON-DISCLOSURE OF NON-PUBLIC INFORMATION.

(a) The Company shall not disclose non-public information to the Investor, its advisors, or its representatives.

(b) Nothing herein shall require the Company to disclose non-public information to the Investor or its advisors or representatives, and the Company represents that it does not disseminate non-public information to any investors who purchase stock in the Company in a public offering, to money managers or to securities analysts, provided, however, that notwithstanding anything herein to the contrary, the Company will, as hereinabove provided, immediately notify the advisors and representatives of the Investor and, if any, underwriters, of any event or the existence of any circumstance (without any obligation to disclose the specific event or circumstance) of which it becomes aware, constituting non-public information (whether or not requested of the Company specifically or generally during the course of due diligence by such persons or entities), which, if not disclosed in the prospectus included in the Registration Statement would cause such prospectus to include a material misstatement or to omit a material fact required to be stated therein in order to make the statements, therein, in light of the circumstances in which they were made, not misleading. Nothing contained in this Section 13 shall be construed to mean that such persons or entities other than the Investor (without the written consent of the Investor prior to disclosure of such information) may not obtain non-public information in the course of conducting due diligence in accordance with the terms of this Agreement and nothing herein shall prevent any such persons or entities from notifying the Company of their opinion that based on such due diligence by such persons or entities, that the Registration Statement contains an untrue statement of material fact or omits a material fact required to be stated in the Registration Statement or necessary to make the statements contained therein, in light of the circumstances in which they were made, not misleading.

**REGISTRATION RIGHTS AGREEMENT**

Registration Rights Agreement (the "Agreement"), dated as of September 15, 2006, by and between Save the World Air, Inc., a corporation organized under the laws of the state of Nevada, with its principal executive office at 5125 Lankershim Blvd., North Hollywood, CA 91601 (the "Company"), and Dutchess Private Equities Fund, L.P., a Delaware limited partnership with its principal office at 50 Commonwealth Avenue, Suite 2, Boston, MA 02116 (the "Holder").

*Whereas*, in connection with the Investment Agreement by and between the Company and the Investor of this date (the "Investment Agreement"), the Company has agreed to issue and sell to the Investor an indeterminate number of shares of the Company's Common Stock, \$.001 par value per share (the "Common Stock"), to be purchased pursuant to the terms and subject to the conditions set forth in the Investment Agreement; and

*Whereas*, to induce the Investor to execute and deliver the Investment Agreement, the Company has agreed to provide certain registration rights under the Securities Act of 1933, as amended, and the rules and regulations thereunder, or any similar successor statute (collectively, the "1933 Act"), and applicable state securities laws, with respect to the shares of Common Stock issuable pursuant to the Investment Agreement.

*Now therefore, in consideration of the foregoing promises and the mutual covenants contained hereinafter and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Investor hereby agree as follows:*

**Section 1. DEFINITIONS.**

As used in this Agreement, the following terms shall have the following meanings:

"Execution Date" means the date of this Agreement set forth above.

"Investor" means Dutchess Private Equities Fund, L.P., a Delaware limited partnership.

"Person" means a corporation, a limited liability company, an association, a partnership, an organization, a business, an individual, a governmental or political subdivision thereof or a governmental agency.

"Potential Material Event" means any of the following: (i) the possession by the Company of material information not ripe for disclosure in the Registration Statement, which shall be evidenced by determinations in good faith by the Board of Directors of the Company that disclosure of such information in the Registration Statement would be

detrimental to the business and affairs of the Company, or (ii) any material engagement or activity by the Company which would, in the good faith determination of the Board of Directors of the Company, be adversely affected by disclosure in the Registration Statement at such time, which determination shall be accompanied by a good faith determination by the Board of Directors of the Company that the Registration Statement would be materially misleading absent the inclusion of such information.

“Principal Market” shall mean The American Stock Exchange, National Association of Securities Dealer’s, Inc., Over-the-Counter electronic bulletin board, the Nasdaq National Market or The Nasdaq SmallCap Market whichever is the principal market on which the Common Stock of the Company is listed or quoted.

“Register,” “Registered,” and “Registration” refer to the Registration effected by preparing and filing one (1) or more Registration Statements in compliance with the 1933 Act and pursuant to Rule 415 under the 1933 Act or any successor rule providing for offering securities on a continuous basis (“Rule 415”), and the declaration or ordering of effectiveness of such Registration Statement(s) by the United States Securities and Exchange Commission (the “SEC”).

“Registrable Securities” means (i) the shares of Common Stock issued or issuable pursuant to the Investment Agreement, and (ii) any shares of capital stock issued or issuable with respect to such shares of Common Stock, if any, as a result of any stock split, stock dividend, recapitalization, exchange or similar event or otherwise, which have not been (x) included in the Registration Statement that has been declared effective by the SEC, or (y) sold under circumstances meeting all of the applicable conditions of Rule 144 (or any similar provision then in force) under the 1933 Act.

“Registration Statement” means the registration statement of the Company filed under the 1933 Act covering the Registrable Securities.

All capitalized terms used in this Agreement and not otherwise defined herein shall have the same meaning ascribed to them as in the Investment Agreement.

## **Section 2. REGISTRATION.**

(a) The Company shall, within thirty (30) days of the date of this Agreement, file with the SEC the Registration Statement or Registration Statements (as is necessary) on Form SB-2 (or, if such form is unavailable for such a registration, on such other form as is available for such registration), covering the resale of all of the Registrable Securities, which Registration Statement(s) shall state that, in accordance with Rule 416 promulgated under the 1933 Act, such Registration Statement also covers such indeterminate number of additional shares of Common Stock as may become issuable upon stock splits, stock dividends or similar transactions. The Company shall initially register for resale 7,000,000 shares of Common Stock which would be issuable on the date preceding the filing of the Registration Statement based on the closing bid price of the Company’s Common Stock on such date and the amount reasonably calculated that

represents Common Stock issuable to other parties as set forth in the Investment Agreement except to the extent that the SEC requires the share amount to be reduced as a condition of effectiveness.

(b) The Company shall use commercially reasonable efforts to have the Registration Statement(s) declared effective by the SEC within ninety (90) calendar days after the Execution Date.

(c) The Company agrees not to include any other securities in the Registration Statement covering the Registrable Securities without Investor's prior written consent which Investor may withhold in its sole discretion; provided, however, that Investor consents to the inclusion in the Registration Statement of up to 50,000 shares of the Company's Common Stock to be registered on behalf of the bankruptcy trustee in Australia pursuant to a settlement agreement entered into between the Company and said trustee in connection with royalty payments to be made in connection with the sale of the Company's ZEPS products. Furthermore, the Company agrees that it will not file any other Registration Statement for other securities until thirty (30) calendar days after the Registration Statement for the Registrable Securities is declared effective by the SEC.

### **Sections 3. RELATED OBLIGATIONS.**

At such time as the Company is obligated to prepare and file the Registration Statement with the SEC pursuant to Section 2(a), the Company will effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, with respect thereto, the Company shall have the following obligations:

(a) The Company shall use commercially reasonable efforts to cause such Registration Statement relating to the Registrable Securities to become effective within ninety (90) days after the Execution Date and shall keep such Registration Statement effective until the earlier to occur of the date on which (A) the Investor shall have sold all the Registrable Securities; or (B) the Investor has no right to acquire any additional shares of Common Stock under the Investment Agreement (the "Registration Period"). The Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading. The Company shall use all commercially reasonable efforts to respond to all SEC comments within seven (7) business days from receipt of such comments by the Company. The Company shall use all commercially reasonable efforts to cause the Registration Statement relating to the Registrable Securities to become effective no later than five (5) business days after notice from the SEC that the Registration Statement may be declared effective. The Investor agrees to provide all information which it is required by law to provide to the Company, including the intended method of disposition of the Registrable Securities, and the Company's obligations set forth above

shall be conditioned on the receipt of such information.

**(b)** The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to the Registration Statement and the prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the 1933 Act, as may be necessary to keep such Registration Statement effective during the Registration Period, and, during such period, comply with the provisions of the 1933 Act with respect to the disposition of all Registrable Securities of the Company covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the Investor thereof as set forth in such Registration Statement. In the event the number of shares of Common Stock covered by the Registration Statement filed pursuant to this Agreement is at any time insufficient to cover all of the Registrable Securities, the Company shall amend such Registration Statement, or file a new Registration Statement (on the short form available therefor, if applicable), or both, so as to cover all of the Registrable Securities, in each case, as soon as practicable, but in any event within thirty (30) calendar days after the necessity therefor arises (based on the then Purchase Price of the Common Stock and other relevant factors on which the Company reasonably elects to rely), assuming the Company has sufficient authorized shares at that time, and if it does not, within thirty (30) calendar days after such shares are authorized. The Company shall use commercially reasonable efforts to cause such amendment and/or new Registration Statement to become effective as soon as practicable following the filing thereof.

**(c)** The Company shall make available to the Investor whose Registrable Securities are included in any Registration Statement and its legal counsel without charge **(i)** promptly after the same is prepared and filed with the SEC at least one (1) copy of such Registration Statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits, the prospectus included in such Registration Statement (including each preliminary prospectus) and, with regards to such Registration Statement(s), any correspondence by or on behalf of the Company to the SEC or the staff of the SEC and any correspondence from the SEC or the staff of the SEC to the Company or its representatives; **(ii)** upon the effectiveness of any Registration Statement, the Company shall make available copies of the prospectus, via EDGAR, included in such Registration Statement and all amendments and supplements thereto; and **(iii)** such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities.

**(d)** The Company shall use commercially reasonable efforts to **(i)** register and qualify the Registrable Securities covered by the Registration Statement under such other securities or “blue sky” laws of such states in the United States as the Investor reasonably requests; **(ii)** prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and

qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period; **(iii)** take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and **(iv)** take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to **(x)** qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), or **(y)** subject itself to general taxation in any such jurisdiction. The Company shall promptly notify the Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or “blue sky” laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

**(e)** As promptly as practicable after becoming aware of such event, the Company shall notify Investor in writing of the happening of any event as a result of which the prospectus included in the Registration Statement, as then in effect, includes an untrue statement of a material fact or omission to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (“Registration Default”) and use all diligent efforts to promptly prepare a supplement or amendment to such Registration Statement and take any other necessary steps to cure the Registration Default (which, if such Registration Statement is on Form S-3, may consist of a document to be filed by the Company with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the 1934 Act (as defined below) and to be incorporated by reference in the prospectus) to correct such untrue statement or omission, and make available copies of such supplement or amendment to the Investor. The Company shall also promptly notify the Investor **(i)** when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when the Registration Statement or any post-effective amendment has become effective (the Company will prepare notification of such effectiveness which shall be delivered to the Investor on the same day of such effectiveness and by overnight mail), additionally, the Company will promptly provide to the Investor, a copy of the effectiveness order prepared by the SEC once it is received by the Company; **(ii)** of any request by the SEC for amendments or supplements to the Registration Statement or related prospectus or related information, **(iii)** of the Company’s reasonable determination that a post-effective amendment to the Registration Statement would be appropriate, **(iv)** in the event the Registration Statement is no longer effective, or **(v)** if the Registration Statement is stale as a result of the Company’s failure to timely file its financials or otherwise. The Company acknowledges that its failure to cure the Registration Default within ten (10) business days will cause the Investor to suffer damages in an amount that will be difficult to ascertain. Accordingly, the parties agree that it is appropriate to include a provision for liquidated damages. The parties acknowledge and agree that the liquidated damages provision set forth in this section represents the parties’ good faith effort to quantify such damages and, as such, agree that the form and amount of such liquidated damages are reasonable and will not constitute a penalty. It is the intention of the parties that interest payable under

any of the terms of this Agreement shall not exceed the maximum amount permitted under any applicable law. If a law, which applies to this Agreement, which sets the maximum interest amount, is finally interpreted so that the interest in connection with this Agreement exceeds the permitted limits, then: **(1)** any such interest shall be reduced by the amount necessary to reduce the interest to the permitted limit; and **(2)** any sums already collected (if any) from the Company which exceed the permitted limits will be refunded to the Company. The Investor may choose to make this refund by reducing the amount that the Company owes under this Agreement or by making a direct payment to the Company. If a refund reduces the amount that the Company owes the Investor, the reduction will be treated as a partial payment.

**(f)** The Company shall use commercially reasonable efforts to prevent the issuance of any stop order or other suspension of effectiveness of the Registration Statement, or the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor holding Registrable Securities being sold of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding concerning the effectiveness of the registration statement.

**(g)** The Company shall permit the Investor and one (1) legal counsel, designated by the Investor, to review and comment upon the Registration Statement and all amendments and supplements thereto at least one (1) calendar day prior to their filing with the SEC. However, any postponement of a filing of a Registration Statement or any postponement of a request for acceleration or any postponement of the effective date or effectiveness of a Registration Statement by written request of the Investor (collectively, the "Investor's Delay") shall not act to trigger any penalty of any kind, or any cash amount due or any in-kind amount due the Investor from the Company under any and all agreements of any nature or kind between the Company and the Investor. The event(s) of an Investor's Delay shall act to suspend all obligations of any kind or nature of the Company under any and all agreements of any nature or kind between the Company and the Investor.

**(h)** At the request of the Investor, the Company's counsel shall furnish to the Investor an opinion letter confirming the effectiveness of the registration statement. Such opinion letter shall be issued as of the date of the effectiveness of the registration statement and be in the form attached as Exhibit B to the Investment Agreement.

**(i)** The Company shall hold in confidence and not make any disclosure of information concerning the Investor unless **(i)** disclosure of such information is necessary to comply with federal or state securities laws, **(ii)** the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement, **(iii)** the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or **(iv)** such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other

agreement. The Company agrees that it shall, upon learning that disclosure of such information concerning the Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to the Investor and allow the Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order covering such information.

(j) The Company shall use commercially reasonable efforts to maintain designation and quotation of all the Registrable Securities covered by any Registration Statement on the Principal Market. If, despite the Company's commercially reasonable efforts, the Company is unsuccessful in satisfying the preceding sentence, it shall use commercially reasonable efforts to cause all the Registrable Securities covered by any Registration Statement to be listed on each other national securities exchange and automated quotation system, if any, on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange or system. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3(j).

(k) The Company shall cooperate with the Investor to facilitate the prompt preparation and delivery of certificates representing the Registrable Securities to be offered pursuant to the Registration Statement and enable such certificates to be in such denominations or amounts, as the case may be, as the Investor may reasonably request (and after any sales of such Registrable Securities by the Investor, such certificates not bearing any restrictive legend).

(l) The Company shall provide a transfer agent for all the Registrable Securities not later than the effective date of the first Registration Statement filed pursuant hereto.

(m) If requested by the Investor, the Company shall (i) as soon as reasonably practical incorporate in a prospectus supplement or post-effective amendment such information as the Investor reasonably determines should be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the offering of the Registrable Securities to be sold in such offering; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as reasonably possible after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any Registration Statement if reasonably requested by the Investor.

(n) The Company shall use commercially reasonable efforts to cause the Registrable Securities covered by the applicable Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to facilitate the disposition of such Registrable Securities.

(o) The Company shall otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC in connection with any

registration hereunder.

(p) Within one (1) business day after the Registration Statement which includes Registrable Securities is declared effective by the SEC, the Company shall deliver to the transfer agent for such Registrable Securities, with copies to the Investor, confirmation that such Registration Statement has been declared effective by the SEC.

(q) The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by the Investor of Registrable Securities pursuant to the Registration Statement.

**Section 4. OBLIGATIONS OF THE INVESTOR.**

(a) At least five (5) calendar days prior to the first anticipated filing date of the Registration Statement the Company shall notify the Investor in writing of the information the Company requires from the Investor for the Registration Statement. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities and the Investor agrees to furnish to the Company that information regarding itself, the Registrable Securities and the intended method of disposition of the Registrable Securities as shall reasonably be required to effect the registration of such Registrable Securities and the Investor shall execute such documents in connection with such registration as the Company may reasonably request. The Investor covenants and agrees that, in connection with any sale of Registrable Securities by it pursuant to the Registration Statement, it shall comply with the "Plan of Distribution" section of the then current prospectus relating to such Registration Statement.

(b) The Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any Registration Statement hereunder, unless the Investor has notified the Company in writing of an election to exclude all of the Investor's Registrable Securities from such Registration Statement.

(c) The Investor agrees that, upon receipt of written notice from the Company of the happening of any event of the kind described in Section 3(f) or the first sentence of 3(e), the Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(f) or the first sentence of 3(e).

**Section 5. EXPENSES OF REGISTRATION.**

All expenses, other than underwriting discounts and commissions and other than as set forth in the Investment Agreement, incurred in connection with registrations including comments, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printing and accounting fees, and fees and disbursements of counsel for the Company or for the Investor shall be paid by the Company.

**Section 6. INDEMNIFICATION.**

In the event any Registrable Securities are included in the Registration Statement under this Agreement:

(a) To the fullest extent permitted by law, the Company, under this Agreement, will, and hereby does, indemnify, hold harmless and defend the Investor who holds Registrable Securities, the directors, officers, partners, employees, counsel, agents, representatives of, and each Person, if any, who controls, any Investor within the meaning of the 1933 Act or the Securities Exchange Act of 1934, as amended (the “1934 Act”) (each, an “Indemnified Person”), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, attorneys’ fees, amounts paid in settlement or expenses, joint or several (collectively, “Claims”), incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto (“Indemnified Damages”), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other “blue sky” laws of any jurisdiction in which the Investor has requested in writing that the Company register or qualify the Shares (“Blue Sky Filing”), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which the statements therein were made, not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, or (iii) any violation or alleged violation by the Company of the 1933 Act, the 1934 Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement (the matters in the foregoing clauses (i) through (iii) being, collectively, “Violations”). Subject to the

restrictions set forth in Section 6(c) the Company shall reimburse the Investor and each such controlling person, promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): **(i)** shall not apply to a Claim arising out of or based upon a Violation which is due to the inclusion in the Registration Statement of the information furnished to the Company by any Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto; **(ii)** shall not be available to the extent such Claim is based on **(a)** a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company or **(b)** the Indemnified Person's use of an incorrect prospectus despite being promptly advised in advance by the Company in writing not to use such incorrect prospectus; **(iii)** any claims based on the manner of sale of the Registrable Securities by the Investor or of the Investor's failure to register as a dealer under applicable securities laws; **(iv)** any omission of the Investor to notify the Company of any material fact that should be stated in the Registration Statement or prospectus relating to the Investor or the manner of sale; and **(v)** any amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the resale of the Registrable Securities by the Investor pursuant to the Registration Statement.

**(b)** In connection with any Registration Statement in which Investor is participating, the Investor agrees to severally and jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of its directors, each of its officers who signs the Registration Statement, each Person, if any, who controls the Company within the meaning of the 1933 Act or the 1934 Act and the Company's agents (collectively and together with an Indemnified Person, an "Indemnified Party"), against any Claim or Indemnified Damages to which any of them may become subject, under the 1933 Act, the 1934 Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation is due to the inclusion in the Registration Statement of the written information furnished to the Company by the Investor expressly for use in connection with such Registration Statement; and, subject to Section 6(c), the Investor will reimburse any legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim; *provided, however*, that the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld; *provided, further, however*, that the Investor shall only be liable under this Section 6(b) for that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full

force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the resale of the Registrable Securities by the Investor pursuant to the Registration Statement. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(b) with respect to any preliminary prospectus shall not inure to the benefit of any Indemnified Party if the untrue statement or omission of material fact contained in the preliminary prospectus were corrected on a timely basis in the prospectus, as then amended or supplemented. This indemnification provision shall apply separately to each Investor and liability hereunder shall not be joint and several.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the Indemnified Person or Indemnified Party, the representation by counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The indemnifying party shall pay for only one (1) separate legal counsel for the Indemnified Persons or the Indemnified Parties, as applicable, and such counsel shall be selected by the Investor, if the Investor are entitled to indemnification hereunder, or the Company, if the Company is entitled to indemnification hereunder, as applicable. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such Claim. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect

to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(d) The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

**Section 7. CONTRIBUTION.**

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; *provided, however*, that: (i) no contribution shall be made under circumstances where the maker would not have been liable for indemnification under the fault standards set forth in Section 6; (ii) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (iii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

**Section 8. REPORTS UNDER THE 1934 ACT.**

With a view to making available to the Investor the benefits of Rule 144 promulgated under the 1933 Act or any other similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration ("Rule 144"). provided that the Investor holds any Registrable Securities are eligible for resale under Rule 144 (k), the Company agrees to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144;

(b) file with the SEC in a timely manner all reports and other documents required of the Company under the 1933 Act and the 1934 Act so long as the Company remains subject to such requirements (it being understood that nothing herein shall limit the Company's obligations under Section 5(c) of the Investment Agreement) and the filing of such reports and other documents is required for the applicable provisions of Rule 144; and

(c) furnish to the Investor, promptly upon request, (i) a written statement by the Company that it has complied with the reporting requirements of Rule 144, the 1933 Act and the 1934 Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration.
