</TABLE>

SAVE THE WORLD AIR INC.
(A DEVELOPMENT STAGE COMPANY)
NOTES TO FINANCIAL STATEMENTS
FOR THE SIX MONTHS ENDED JUNE 30, 2001
(UNAUDITED)

1. DESCRIPTION OF THE BUSINESS

The Company was incorporated on February 18, 1998 under the name "Mandalay Capital Corp.". The Company changed its name to "Save the World Air, Inc." on February 11, 1999 following the signing of the agreement by and between the Company and Jeffrey Muller with respect to the Company's purchase of "Zero Emissions Fuel Saver Device (ZEFS)". Under the terms of the agreement, the Company issued 5,000,000 shares of its common stock to Mr. Muller and agreed to pay \$500,000 and \$10 royalty for every unit of the device sold.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with generally accepted accounting principles and include the following policies.

(a) BASIS OF PRESENTATION - GOING CONCERN

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business. The company has been engaged in the development of its zero emissions fuel saving device (ZEFS). The Company's ability to meet its obligations and successfully develop its project and, ultimately, to attain profitable operations is dependent upon further developing and marketing the device known as ZEFS and obtaining additional financing from either third parties or its present stockholders. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financials statements and accompanying notes. Actual results could differ from those estimates.

(b) ACCOUNTING METHODS

The Company recognizes income and expenses based on the accrual method of accounting.

(c) DIVIDEND POLICY

The Company has not yet adopted any policy regarding the payment of dividends.

(d) LOSS PER SHARE

Primary loss per share amount is computed based on the weighted average

number of shares actually outstanding during the period reported on. Fully diluted loss per share is computed under the same basis since there are not warrants or share subscriptions outstanding.

(e) INCOME TAXES

The Company has a operating loss carry-forward incurred from inception to December 31, 1999 in the amount of \$23,972. No tax benefit from the operating loss carried forward has been recorded because the future tax benefit is uncertain.

The net operating loss carryover will expire beginning in the year 1999 through 2013.

8

(g) FOREIGN CURRENCY TRANSLATION

The transactions of the Company completed in foreign currencies have been translated to US dollars. Assets and liabilities are translated at the year end exchange rates and the income and expenses at the average rates of exchange prevailing during the period reported on. Any gains or loss resulting from the translations would be shown in the Statement of Operations.

(h) START UP EXPENSES

The Company has expensed all start up expenses in accordance with AICPA Statements of Position 98-5.

(i) STOCK ISSUED IN EXCHANGE FOR SERVICES

Stock issued in exchange for services were valued at \$.25 per share.

3. RELATED PARTY TRANSACTIONS

All of the marketing and manufacturing rights for the Zero Pollution Fuel Saving Device were acquired from Jeffrey Muller, the Company's officer and sole director for 5,000,000 shares, \$500,000 and a \$10 royalty for each unit sold, pursuant to the agreement entered into in December 1998, by and between the Company and Mr. Muller.

Mr. Muller, the majority stockholder, is active in running the business of the Company. No compensation is paid and the Company has reflected no expense in the Statement of Operations.

In January 2000, the Company entered into an agreement offering Jeffrey Muller and Lyn Muller, Mr. Muller's wife, the rights to purchase five million shares each at \$0.10 per share (current market price as of the date of grant) as consideration for work done for the Company.

4. LEASES

The Company has no leases with respect to any property. The Company presently rents an office for \$250 per month at 1285 Avenue of the Americas, 35th Floor, New York, N.Y. 10019-6029 and also the office of one of its shareholders in Australia at no cost to the Company.

9

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

PRELIMINARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

ALL FORWARD-LOOKING STATEMENTS CONTAINED HEREIN ARE DEEMED BY THE COMPANY TO BE COVERED BY AND TO QUALIFY FOR THE SAFE HARBOR PROTECTION PROVIDED BY THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995 THE 1995 ACT SHAREHOLDERS AND PROSPECTIVE SHAREHOLDERS SHOULD UNDERSTAND THAT SEVERAL FACTORS GOVERN WHETHER ANY FORWARD-LOOKING STATEMENT CONTAINED HEREIN WILL BE OR CAN BE ACHIEVED. ANY ONE OF THOSE FACTORS COULD CAUSE ACTUAL RESULTS TO DIFFER MATERIALLY FROM THOSE PROJECTED HEREIN. THESE FORWARD-LOOKING STATEMENTS INCLUDE PLANS AND OBJECTIVES OF MANAGEMENT FOR FUTURE OPERATIONS, INCLUDING PLANS AND OBJECTIVES RELATING TO THE PRODUCTS AND THE FUTURE ECONOMIC PERFORMANCE OF THE COMPANY. ASSUMPTIONS RELATING TO THE FOREGOING INVOLVE JUDGMENTS WITH RESPECT TO, AMONG OTHER THINGS, FUTURE ECONOMIC, COMPETITIVE AND MARKET CONDITIONS, FUTURE BUSINESS DECISIONS, AND THE TIME AND MONEY REQUIRED TO SUCCESSFULLY COMPLETE DEVELOPMENT PROJECTS, ALL OF WHICH ARE DIFFICULT OR IMPOSSIBLE TO PREDICT ACCURATELY AND MANY OF WHICH ARE BEYOND THE CONTROL OF THE COMPANY. ALTHOUGH THE COMPANY BELIEVES THAT THE ASSUMPTIONS UNDERLYING THE FORWARD-LOOKING STATEMENTS CONTAINED HEREIN ARE REASONABLE, ANY OF THOSE ASSUMPTIONS COULD PROVE INACCURATE AND, THEREFORE, THERE CAN BE NO ASSURANCE THAT THE RESULTS CONTEMPLATED IN ANY OF THE FORWARD-LOOKING STATEMENTS CONTAINED HEREIN WILL BE REALIZED. BASED ON ACTUAL EXPERIENCE AND BUSINESS DEVELOPMENT, THE COMPANY MAY ALTER ITS MARKETING, CAPITAL EXPENDITURE PLANS OR OTHER BUDGETS, WHICH MAY IN TURN AFFECT THE COMPANY'S RESULTS OF OPERATIONS. IN LIGHT OF THE SIGNIFICANT UNCERTAINTIES

INHERENT IN THE FORWARD-LOOKING STATEMENTS INCLUDED THEREIN, THE INCLUSION OF ANY SUCH STATEMENT SHOULD NOT BE REGARDED AS A REPRESENTATION BY THE COMPANY OR ANY OTHER PERSON THAT THE OBJECTIVES OR PLANS OF THE COMPANY WILL BE ACHIEVED.

The Company was incorporated in February 1998 and the sole purpose of the Company is the manufacture and distribution of the device commonly referred to as the Zero Emission Fuel Saving Device ("ZEFS").

The Company has yet to make a profit and the Board of Directors believe that the Company will not make a profit in the immediate future.

The purpose of the Company is to develop the technology and then to sell licenses world wide for the distribution of the device. At the same time, the Company continues to research and develop the product for increasing technological efficiency. It is also examining the market capabilities of other new environmentally friendly technologies.

Obviously the Company does not have sufficient liquidity or the funding surplus to continue without help either its research and development or its day-to-day operations. These costs are being met from the personal resources of the majority shareholder, officer and director. Once the Company reaches a level of profitability, the shareholder's loans will be expected to be repaid by the Company.

This shareholder has not placed an upper limit on the Company expenditure, but the Company anticipates that its reliance on this shareholder will diminish within the next two fiscal quarters as distribution licenses are sold within mainland America and other countries.

The comparison of the six month quarter ended June 30, 2000 and the six months ended June 30, 2001 indicates that the Company has maintained its level of spending on Company operations. Marketing efforts will be stepped up as finances allow.

The Company will continue in its efforts to raise capital. There can be no assurance that the Company will be able to obtain capital.

QUARTERLY REVIEWS

The Company's 10-QSB filing for the period ended June 30, 2001 was not reviewed by its independent certified public accountants in accordance with Statement of Auditing Standards No. 71, "Interim Financial Information", as required by the Securities and Exchange Commission. Management intends to file an amended 10-QSB in the near term that has been reviewed by its current independent certified public accountants.
